

TT Capital Partners Seeks Accounting Intern for Summer 2025

Position Overview

Healthcare private equity firm TT Capital Partners (TTCP) is seeking a motivated and detail-oriented Accounting Intern to join our team. This internship provides an excellent opportunity to gain hands-on experience in accounting, finance, and private equity operations. The ideal candidate will support our accounting department in our Minneapolis office and have exposure to compliance and investor relations under the supervision of experienced professionals, contributing to various accounting and operations tasks and projects.

Responsibilities

- Assist in maintaining accurate financial records and reports
- Support month-end, quarter-end and year-end close processes
- Prepare bank reconciliations and ledger entries
- Analyze financial data and generate reports for management
- Assist with accounts payable/receivable functions, expense reporting and contract management
- Help with the preparation of tax filings and compliance documents
- Collaborate with team members in accounting, compliance and investor relations on special projects and ad-hoc tasks
- Maintain confidentiality of sensitive financial information

Requirements

- Currently pursuing or recent graduate with a degree in accounting, finance, or a related field
- Strong understanding of accounting principles and practices
- Proficiency in Microsoft Excel and accounting software a plus
- Excellent analytical skills and attention to detail
- Effective communication and interpersonal skills
- Ability to work independently and as part of a team
- Strong organizational skills and ability to manage multiple tasks simultaneously
- Prior internship or work experience in accounting is a plus

Experience Gained

- Valuable experience in the private equity sector
- Mentorship from experienced accounting, legal and investor relations professionals
- Practical knowledge and skill development
- Networking opportunities within the finance industry
- Flexible working hours to accommodate academic commitments
- Potential for future permanent employment based on performance

TT Capital Partners Overview

TT Capital Partners (TTCP) was founded in 2011 and is an independent, employee-owned private equity manager. TTCP invests in healthcare technology and services companies in the lower middle market. The firm invests in businesses supporting the Triple Aim of healthcare – improving access and quality, lowering costs, and enhancing the patient/provider experience.

TTCP leads all investments and can serve as a control or significant minority investor. The firm is generally targeting investments in capital efficient, founder-led businesses and is typically the first institutional investor. The company is viewed as a value-added partner due in part to its exclusive focus on healthcare, extensive industry network, and deep investing and operating experience.

We are excited to welcome a dedicated intern to our dynamic team. If you are passionate about accounting and eager to learn, we encourage you to apply and take the first step toward a rewarding career in private equity.
